## **COVID REQUIREMENTS AS AT 26<sup>TH</sup> FEBRUARY, 2021**

### **SINGING & CHANTING AT MASS**

At 12.01 am on 26<sup>th</sup> February, 2021 the following new requirement in relation to singing at religious services was introduced in NSW.

*If the people attending your service will be singing in an indoor area, then*

- *you may have a maximum capacity of one person per 4 square metres in the indoor area or 25 people, whichever is the greater*
- *everyone attending the service must wear a mask during the singing (unless exempt).*

However if you do not have congregational singing the number of people in a place of public worship is still subject to the one person per 2 square metres rule.
